Dear Participant

I am writing to thank you for your thoughtful contribution to the Cross Government workshop on 'Assessing the Impact of Public Service Agreements on Health' on the 24 March 2009.

I found the day both stimulating and informative and I hope the outcomes of the workshop will lead to best practice in Cross Government policy making. A short report that gives an overview of the outcomes of the workshop is enclosed. I look forward to working with you to take the recommendations from the workshop forward in the coming year.

Yours sincerely
